**Report on Remedial Lectures**

**Venue: Room no 203(MMS Building)**

**Time: 11 AM TO 12.00 PM**

The remedial coaching programme envisions to support weak learners in the various subjects .In the Academic Year 2021-22 remedial coaching was provided in the subjects of Quantitative methods -I and Business Communication-I . Subject teachers provided them more focused teaching support to enhance their qualitative and quantitative subject knowledge, academic skills and linguistic proficiency. Intensive coaching was provided in the areas of standard deviation sums descriptive statistics based questions under Quantitative methods in Room No 203(MMS Building) from 11.00 AM TO 11.30 AM . Under Business Communication, focus was more give in public speaking skills and letter writing which was conducted in Room no 203(MMS Building) from 11.30 am to 12.00 pm. Since our college has majority of students whose socio-economic status are weak, the remedial coaching offers them a good sustenance and attention. Faculties also get a chance of effective mentoring of such under privileged groups. The main facets of remedial coaching carried out in our college are well organized classes, exact screening, perfect training and repeated coaching. These strategies have facilitated us to appraise our pass percentage to a great extent. Decision was taken by the college to prioritize students who lost one or two papers in the previous semesters in the coaching classes in addition to regular semester students. Weak students are identified by the teachers on the basis of their performance in the internal exams.

**Benefeciaries: 07**

Outcome:

1. Students got more practice questions for both the questions so that they could write the exams more effectively.
2. Public speaking skills and formal letter writing skills got improved.
