Report

Alumni association with IQAC is organised a guest lecture on career in banking sector for all students.. Juhi Nandankar (Batch 2018-19) of Arts Department guided the students. Juhi Nandankar holds BA from Saket College and MA in Economic; and is pursuing MBA from Welingkar Institute.

She has started her own business with 6 months of experience in ICICI Bank. She told the students about study methods, subject selection and what is currently required in the market. She also shared her experiences in the banking sector and guided students on how to start own start-up.

The students asked her various questions and she also answered them satisfactorily and showed her willingness to help the students in the future as well.

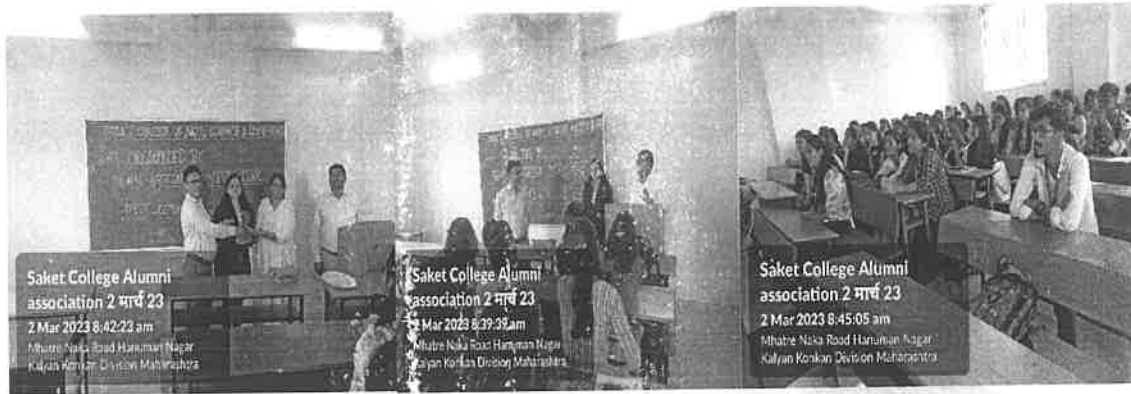

Objective of this program:

1. To make the students aware of what is required in the market.
2. To inform the students about what they can do in the banking sector from the alumni of their own college.

Program Outcomes:

1. Students know what is required in the market.
2. Understand what opportunities are there in banking sector.
3. Got knowledge about how to start own start up.

Total Beneficiaries: Male: 28 Female: 51 Total: 79 Students

Report On Menstrual Hygiene.

Time: 10:00 am

Date: 08 -03-2023

Venue: Auditorium

Alumni Association and WDC in association with IQAC was organized a guest lecture for girl students of Saket Vidyamandir English High School on dated 08/03/2023. A student of BMS branch of Saket College Mrs. Dakshita Ranade had a guest lecture for school girls on menstruation and hygiene. She is an alumni student of Saket college and she guided girls aged 13 to 15 about the important phase of their life in a very beautiful and scientific manner.

She told students about menstruation and hygiene with help of power point presentation. She discussed about why is menstruation hygiene important, what are the elements of menstrual hygiene, what are the types of hygiene, and so on. She told Poor menstrual hygiene, however, can pose serious health risks, like reproductive and urinary tract infections which can result in future infertility and birth complications. Neglecting to wash hands after changing menstrual products can spread infections, such as hepatitis B and thrush. She also answered them that access to affordable and sustainable menstrual hygiene products (e.g. menstrual cloths, reusable pads, disposable pads, menstrual cups and tampons) is key to improving menstrual health and hygiene.

Many students openly asked her questions and she answered them satisfactorily.

OBJECTIVE OF PROGRAM

- 1.To educate girls aged 13 to 15 about menstruation and hygiene.
- 2.To educate about the measures taken to maintain the physical and mental health of girls.

OUTCOMES OF THE PROGRAM

1. Girls aged between 13 and 15 were aware of their physical and mental changes.They got knowledge about what care should be taken during menstruation.
2. Menstruation is a very natural process and should be accepted wholeheartedly by all.
