Uh have done the wrong thing in first round ..uh should also qualify the group who got 2 out of 3..

Volunteers were so rude please make sure if you are providing intercollegiate program or competition they should not have such side of our college.

No particular suggestions

Shant rahane

Images were not proper in some question so make them proper

Could have been more polite.

Yes

Please start events on time

The event was amazing. I enjoyed the event most thanks to Suvitha Maam and The Volunteers to conduct this Event..😊

The Volunteer were very rude to students from other college If you are organizing an inter college compition you must behave professionally as you are representing your college.

Awesome

We won (group no.33) with third rank but college selectec two numbers only

Overall good

We Won (Group No.33) with third rank but college give only 1st and 2nd Nu of winner give a medal 3rd winner not give a medal I am very hurt ple reply

One of the best activity till now

No

Manage timing

Good and brilliant 🎯

No suggestions.... Today's event was great enjoyed a lot

Yes next time se grand krunge or snacks bli

It was perfect

Try to start the program in time

In first round should be select at least 2 correct answer... other wise it's perfect and intresting game....

Manju

It was a nice event

Good and informative event

When princical was giving speech we students are unable to hear the principal voice.Next time the college committee should use mic while speaking to the students.Kind request for college community🙏.

I like your presentation

No.

We won( group no.33) with 3rd rank in brainly competition but college selected only 2 numbers

No more suggestions

Give Some snacks after programs for volunteers

## Report on "QUIZ COMPETITION"

Date: 01-02-2023

Venue: Auditorium

Time: 11.00 AM to 12.00 PM

Department of B.com (A&F) in Associate with IQAC of Saker College of Arts, Science and Commerce, successfully conducted a Quiz competition in the college on 1st February for the under-graduate students. In this competition, five different teams, with two participants in each team give tough battle to each other. Rules and regulations of the quiz were explained at the beginning. It was interesting two-round competition, including objective questions with buzzer round and rapid-fire round which engaged the students for one hour.

The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence. Although the teams participated actively, the team that scored the most and win 1<sup>st</sup> price was Raj Prakhari and Subramaniam Mudaliar team and 2<sup>nd</sup> Price Pratik Pardeshi and Neha Valsaraj team. It was very informative and knowledge enriching competition for the participants along with the audience.

The comparing for the event was done by Asst. Prof. Suvitha Sukumaran, Asst. Prof. Krishnamurthy velar, Asst. Prof. Sumit Sawant and non-faculty staff members worked efficiently to make the competition a grand success. The competition concluded with the vote of thanks given by the student of T.Y.B.Com (A&F)

### **Description:**

Discussions on the teaching facilities available for teachers were held. Teachers pointed out that there were very few technological facilities available for better teaching-learning experiences for the students. New technological facilities were requested by teachers. High glare of projectors create disturbances for students in order to see the screen. Another issue discussed was the condition of black-boards in the classrooms of the 4<sup>th</sup> floor as the chalks wouldn't work on them.

### **Resolution:**

It was resolved that smart boards and other better facilities would be provided for a better teaching-learning experience. Teachers were asked to use projectors of the Computer lab for students to get a better view of the screen until the smart boards are installed in all the classes. Once the smart board is installed, teachers do not have to worry about the condition of the black-boards for smooth writing surface.

**Item-5: Housekeeping Staff.**

**Description:**

Discussions on the Housekeeping staff were held. It was noticed that the ground housekeeping staff regularly changed and it creates issues during the exam time as there would be no ground staff available and the teachers have to contact the examination department for every small requirement. The attitudes of the housekeeping staff towards the faculty members were also discussed. The housekeeping staffs spend their time talking to students or unnecessarily use their mobile phones.

**Resolution:**

It was resolved that this matter would be further discussed with the responsible personnel and necessary action would be taken on the housekeeping staff concerned before 8<sup>th</sup> October, 2022.

**Item-6: Extra-Curricular Activities.**

**Description:**

Discussions on the various Extra- Curricular Activities by the department were held with regards to the timely conduct of the respective lectures and events. The various field trips that should be arranged were discussed. Reports of all the activities by the department should be stored.

**Resolution:**

It was resolved that there are plans of conducting Field trips with BAF students. Teachers were asked to make note of the strength of the students so that necessary arrangements like bus or train could be provided for conducting the field trip.

**Item-7: Any other items for discussion with the permission of the chair.**

**Description:**

The members did not raise any queries and there were no additional items to discuss. the meeting ended with a vote of thanks to the Chair.

## Report on Slow and Advanced learners

**Venue: Room no 303(MMS Building)**

**Time: 11 AM TO 12.00 PM**

Slow learners and advanced learners for F.Y.B.COM (A&F), S.Y.B.COM (A&F) for the Academic Year 2022-23 were identified and intensive coaching was provided for the improvement of results. They were identified on the basis of all semester's internal exam results. Special coaching was provided to slow learners in order to help them clear their semester exams without KTs for various subjects. They were also provided with tips to improve their writing skills and utilize time effectively so that they can complete the exams on time. Advanced learners were provided with the tips to improve their results in a much better way. Both were assigned practice papers for every subject so that their writing skills are improved. The submitted practice papers were reviewed thoroughly and feedback was informed to the students on time.

### **Beneficiaries:**

#### **Slow Learners:**

##### Beneficiaries

## Report on Remedial Lectures

Venue: Room no 304(MMS Building)

DATE:

Time: 11 AM TO 12.00 PM

The remedial coaching programme envisions to support weak learners in the various subjects. In the Academic Year 2022-23 remedial coaching was provided in various subjects for FY and SY in which failures were more for semester I, II, III and V examinations. We also provided extra coaching sessions for TY as per University pattern for the students who performed poor due to lack of confidence and stress. Subject teachers provided them more focused teaching support to enhance their qualitative and quantitative subject knowledge, academic skills and linguistic proficiency. Intensive coaching was provided in the areas of practical subjects in Room No 304(MMS Building) from 11.00 AM TO 11.30 AM. Under theory subjects, focus was more given in elaborating a concept from examination point of view which was conducted in Room no 304 (MMS Building) from 11.30 am to 12.00 pm. Since our college has majority of students whose socio-economic status are weak, the remedial coaching offers them a good sustenance and attention. Faculties also get a chance of effective mentoring of such under privileged groups. The main facets of remedial coaching carried out in our college are well organized classes, exact screening, perfect training and repeated coaching. These strategies have facilitated us to appraise our pass percentage to a great extent. Decision was taken by the college to prioritize students who lost one or two papers in the previous semesters in the coaching classes in addition to regular semester students. Weak students are identified by the teachers on the basis of their performance in the internal exams.

**Beneficiaries:**

**FYBCOM(A&F):**

Girls: 7

Boys: 4

**SYBcom( A&F)**

Girls: 16

Boys: 15

**Outcome:**

Students got more practice questions for both the practical subjects so that they could write the exams more effectively.

Students gained knowledge on how to elaborate the answers for theory subjects.

## 2.3.1 Report on "Orientation Session on University Exams"

**Venue: Room No 304 (MMS Building)**

**Time: 10.00 am**

The Department of B com(A&F) in association with IQAC of Saket College of Arts, Science and Commerce had organized an Orientation session on University Exams on **Saturday, 03<sup>rd</sup> December 2022.** The objective of the event was to make the Third Year (Sem V) students aware of the tips to appear for the University Exams.

Department Coordinator Ms. Suvtha Sukumaran explained the students regarding the details which they need to take care of while filling the front sheet of the answer booklet like programme name, code, subject code, seat number, question paper code etc. She also focused on other tips like time management while writing the exam and improving their writing skills. Students also came up with their doubts which were clarified by the Coordinator.

**Beneficiaries:**

**Girls: 25**

**Boys: 27**

**Outcomes**

1. The session helped the students to understand the details they should take care off while filling the front sheet of answer booklet.
2. They got awareness on how to manage time while writing the exam and complete all the answers on time.
