The meeting was opened by the Principal, Dr. Vasant Barhate and the overview and purpose of the meeting was communicated to all members.

The agenda was taken for discussion item wise-

Item-1: Syllabus Completion.

Description:

Discussions on the syllabus completion of all the subjects in all the classes of the department were held. Teachers were asked if the syllabus assigned to them was completed or not. Teachers were also asked about the additional courses and how is it being handled

Resolution:

It was resolved by the unanimous agreement of the departmental members to complete the syllabus on time and to provide the students with important questions. Regarding the additional courses, it was resolved to conduct the courses as soon as possible and respective teachers handling these courses should complete and submit their CHB records by the 3rd day of every month.

Item-2: Teacher- Student Interaction.**Description:**

Discussions on the teacher-student interaction during lectures were held. Teachers were asked about the interactions they are able to have with the students in the lectures.

Resolution:

It was resolved by telling teachers to have a good interaction with students. They were asked to create and maintain a good rapport with the students. New teachers were asked to check if students were able to understand their teaching technique and make their teaching simple so that students are able to understand the subject. Teachers were advised to have interactive sessions with their students so that it removes the fear students have while facing the teachers, so that students can comfortably interact with teachers and confidently clear the doubts they would want to clear. Teachers were advised to transfer the knowledge in a simple form to their students.

Item-3: Students' Results.**Description:**

Discussions on the students' results were held. Students' overall results were also discussed here. First year students' performance for upcoming exams was also discussed in comparison to the Third year students. The students' level of understanding and how to tackle it were also discussed.

Resolution:

It was resolved that teachers should use good teaching techniques in order to get good results and should constantly keep an eye on students who cheat. It was resolved that students of Third Year showed a better performance as they were acquainted with the education system, whereas the First Year students should be taken into consideration since the college environment is new for them and they have not been acquainted with college life and in their answering techniques due to the gap in offline examinations due to covid-19.

Item-4: Improvement in Teaching Methodology.

Description:

Discussions on the teaching facilities available for teachers were held. Teachers pointed out that there were very few technological facilities available for better teaching-learning experiences for the students. New technological facilities were requested by teachers. High glare of projectors create disturbances for students in order to see the screen. Another issue discussed was the condition of black-boards in the classrooms of the 4th floor as the chalks wouldn't work on them.

Resolution:

It was resolved that smart boards and other better facilities would be provided for a better teaching-learning experience. Teachers were asked to use projectors of the Computer lab for students to get a better view of the screen until the smart boards are installed in all the classes. Once the smart board is installed, teachers do not have to worry about the condition of the black-boards for smooth writing surface.

Item-5: Housekeeping Staff.

Description:

Discussions on the Housekeeping staff were held. It was noticed that the ground housekeeping staff regularly changed and it creates issues during the exam time as there would be no ground staff available and the teachers have to contact the examination department for every small requirement. The attitudes of the housekeeping staff towards the faculty members were also discussed. The housekeeping staffs spend their time talking to students or unnecessarily use their mobile phones.

Resolution:

It was resolved that this matter would be further discussed with the responsible personnel and necessary action would be taken on the housekeeping staff concerned.

Item-6: Library Books.

Description:

Discussion on the shortage of books' availability in the Library was held. Books for various courses were not available. Other books related to English language for better communication skills were also not available for students to refer and study and implement in their daily life. Motivational books were also not available for students' to read.

Resolution:

It was resolved that new books would be brought to the library. A list of books should be provided as per the requirement of the subjects. Students should be motivated to read various books and teachers should have a regular follow up with students with regard to the books they collect and read from the library. The library would be undergoing a renovation for the upcoming NAAC visit; hence these changes would be updated as soon as possible. Students should be provided a session with the Librarian in order to know the availability of books and process of issuing books from the library.

Item-7: Extra-Curricular Activities.

Description:

Discussions on the various Extra- Curricular Activities by the department were held. The various field trips that should be arranged were discussed. Reports of all the activities by the department should be stored.

Resolution:

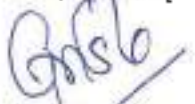

It was resolved that there are plans of conducting Field trips with BMS students to the headquarters of NSE, SEBI and RBI. Teachers came to a decision to take students to NSE Headquarters as the entry for students would be free compared to the other organizations mentioned. Teachers were asked to make note of the strength of the students so that necessary arrangements like bus or train could be provided for conducting the field trip.

Item-8: Any other items for discussion with the permission of the chair.

Description:

The members did not raise any queries and there were no additional items to discuss. the meeting ended with a vote of thanks to the Chair

2.3.1 Report on "Orientation Session on University Exams"

Date: 03-12-2022

Venue: Room No 302 (MMS Building)

Time: 10.00 am

The Department of BMS in association with IQAC of Saket College of Arts, Science and Commerce had organized a Guidance session on University Exams on Saturday, 03rd December 2022." The purpose of the session was to acquaint the students with the rules and regulations of Mumbai University Exams.

Department Coordinator Mrs. Grishma Nair explained the students regarding the details which they need to take care of while filling the form sheet of the answer booklet like program name, QP code, subject code, seat number, question paper code etc. She also focused on other tips like time management while writing the exam and improving their writing skills. Students also came up with their doubts which were clarified by the coordinator.

Beneficiaries:

Male: 40; Female: 38

Outcomes

1. The session helped the students to understand the details they should take care of while filling the form sheet of answer booklet.
2. They got awareness on how to manage time while writing the exam and complete all the answers on time.

A report on Mentor-Mentee Session 2022-23

Date: 15th March 2023

Faculties of Department of BMS conducted mentoring sessions for the students of FY, SY & TY

Mentor-Mentee Sessions were held on following points: -

- 1) Mentor mentee sessions were conducted on August, September, January and March.
- 2) Mentor has maintained a sessions summary of all those mentees who had visited them discussing their various academic and career interest.
- 3) Mentees were made aware about the various opportunities available for their specialization
- 4) Special guidance session was held for the students of TYBMS for university exam
- 5) Mentors emphasized the importance of attending the certificate courses designed for their course as an add on value to their course.
- 6) Instalment provision in college and uniform fees were given to those students with financial issues.

Outcomes

1. Students got awareness about the means through which they can achieve their career goals
2. Students could groom themselves to improve their employability skills

Report on Inter-Collegiate "Mock-Interview" (Criterion 5.3.1)

Date: 20th August, 2022

Venue: Auditorium, Saket College of Arts, Science and Commerce

Time: 9:30 AM to 2:30 PM

The Department of BMS in association with IQAC of Saket College of Arts, Science and Commerce had organized an Inter-Collegiate "Mock Interview" on **Saturday, August 20, 2022**. The objective of the event was to give the students an overview and to get acquainted with the process of job interviews.

The event was inaugurated by the Principal, Prof. Dr. Vasanti Barate. The participants were shown a PPT presentation which gave them a clear idea of the events scheduled and its rules and regulations. The total number participants were 73 and there were 3 rounds. The judges for the event were: Asst. Prof. Krishnamurthy Vekar, Asst. Prof. Ajay Shelar, Asst. Prof. Athira M.K and Asst. Prof. Shubhangi Ingole. The 1st round was an Aptitude Test conducted at the auditorium. After the first round, participants who qualified for the 2nd round had a Group Discussion. Students who qualified this round were then sent for the final round- the Panel Interview round where students were individually interviewed by the judges and were given marks according to their performance, based on their confidence, knowledge and speaking skills. The 1st place was bagged by Pratik Pardeshi (TY. BMS), the 2nd and 3rd position were secured by Nela Valsaraj (TY. BMS) and Pranay Thakur (TY. CS) respectively. The event came to an end with a Vote of Thanks for all the Participants, esteemed Judges, Volunteers and all the other students and teachers who worked behind this successful event.

Beneficiaries: 73;

Males: 24, Females: 49

Outcome: Students were given a glimpse of real life job interview sessions. Students became more confident to appear for job interviews in future.

Maintain discipline

Every thing was okayyy...bt I'm from ry just booz of this I didnt get the chance to properly say in debate

Plz improve your time management

No it was such a knowlecgeable event

Thanks for tak ng this mock interview
I learnt a lot . Got a lot of ideas for future in this exam

Program was started very late from the actual time given. So try to start in time overall it was conducted very good

I really liked the interview booz its my first interview and I leaned many things related to interview and now I found confidence in me and literally I m so happy and it's my pleasure to feedback the clg

Suggestion is time management not proper I am saket college student SYBMS I see many people are frustrated because of time soo if you manage the time properly it will help you to get event best

The event was great!

Provide snacks

No

There was not good time management you should try to maintain it

No particular suggestions

Next time in future activities please don't take too much time

Yes this compition is useful for all the students and we need more aptitude test

**Report on Remedial Lectures (SYBMS)**

Date: 12.03.2023

Venue: Room No. 403 MMS Building

The remedial coaching programme envisions to support weak learners in various subjects. In the Academic Year 2022-23 remedial coaching was provided in various subjects for SYBMS in which failures were more for semester III examinations. Respective subject teachers provided them with more focused teaching support to enhance their qualitative and quantitative subject knowledge, academic skills and linguistic proficiency. Intensive coaching was provided in the areas of practical subjects in Room No 403 (MMS Building) from 11.00 AM TO 1.30 AM. Under theory subjects, focus was given in elaborating a concept from the examination point of view which was conducted in Room no 403 (MMS Building) from 11.30 am to 12.00 pm. Since our college has majority of students whose socio-economic status are weak, the remedial coaching offers them a good sustenance and attention. Faculties also got a chance of effective mentoring of such under privileged groups. The main facets of remedial coaching carried out in our college are well organized classes, exact screening, perfect training and repeated coaching.

Beneficiaries:

Subject: Foundation Course (Environmental Management)

Boys: 04 Girls: 03

Subject: Business Planning & Entrepreneurial Management

Boys: 03 Girls: 03

Subject: Accounting for Managerial Decisions I

Boys: 08 Girls: 09

Subject: Strategic Management

Boys: 07 Girls: 07

Outcome

- i. Students gained knowledge on how to elaborate the answers for theory subjects.
- ii. Students got more practice questions for both the practical subjects so that they would write the exams more effectively.

2.3.1 Report on "Orientation Session on University Exams"

Date: 03-12-2022

Venue: Room No 302 (MMS Building)

Time: 10.00 am

The Department of BMS in association with IQAC of Saket College of Arts, Science and Commerce had organized a Guidance session on University Exams on **Saturday, 03rd December 2022.** The purpose of the session was to acquaint the students with the rules and regulations of Mumbai University Exams.

Department Coordinator Mrs Grishma Nair explained the students regarding the details which they need to take care of while filling the form sheet of the answer booklet like program name, QP code, subject code, seat number, question paper code etc. She also focused on other tips like time management while writing the exam and improving their writing skills. Students also came up with their doubts which were clarified by the coordinator.

Beneficiaries:

Male: 40; Female: 38

Outcomes

1. The session helped the students to understand the details they should take care off while filling the front sheet of answer booklet.
2. They got awareness on how to manage time while writing the exam and complete all the answers on time.
