**Report on Eco-friendly Rakhi, Ganapati and Makar making Exhibition**

**Date: 08<sup>th</sup> August, 2022**

**Venue: Room No. 302 & 303 of College Building**

**Time: 10.30 AM to 12 Noon**

The Cultural Committee and Nature Club along with IQAC of Saket College of Arts, Science & Commerce had organized Eco-friendly Rakhi, Ganapati and Makar making Exhibition on **Monday, 08<sup>th</sup> August, 2022**. The objective of the event was to bring out the artistic and creative expressions of the students. But any celebrations should not harm, hurt or disturb anyone right from aged to children and also to our precious ecology. It is our responsibility to make use of eco-friendly festivals in a larger way so that there will be a pollution free atmosphere everywhere and we can celebrate it without any harm to our environment.

The event was inaugurated by the Principal, Prof. Dr. Vasant Barate who encouraged the students and shared with them the significance of each color in our lives. The total number of participants were 35 and each one of them made beautiful and creative hand-made Rakhi, Ganapati Makar using craft material with their colors.
