Time: 10:00 am

Date: 08 -03-2023

Venue: Auditorium

Alumni Association and WDC in association with IQAC was organized a guest lecture for girl students of Saket Vidyanagar English High School on dated 08/03/2023. A student of BMS branch of Saket College Mrs. Dakshita Ranade had a guest lecture for school girls on menstruation and hygiene. She is an alumni student of Saket college and she guided girls aged 13 to 15 about the important phase of their life in a very beautiful and scientific manner.

She told students about menstruation and hygiene with help of power point presentation. She discussed about why is menstruation hygiene important, what are the elements of menstrual hygiene, what are the types of hygiene, and so on. She told Poor menstrual hygiene, however, can pose serious health risks, like reproductive and urinary tract infections which can result in future infertility and birth complications. Neglecting to wash hands after changing menstrual products can spread infections, such as hepatitis B and thrush. She also answered them that access to affordable and sustainable menstrual hygiene products (e.g. menstrual cloths, reusable pads, disposable pads, menstrual cups and tampons) is key to improving menstrual health and hygiene.

Many students openly asked her questions and she answered them satisfactorily.

OBJECTIVE OF PROGRAM

- 1.To educate girls aged 13 to 15 about menstruation and hygiene.
- 2.To educate about the measures taken to maintain the physical and mental health of girls.

Very nice defence training program

Thank you

Self defence is important with attacking too. Without any offensive techniques, self defence is useless. Because a killer can keep attacking until & unless the other person does not quits. So both things are important.
