## RULES FOR BEST OUT OF WASTE COMPETITION

- The competition is open to all degree college students.
- Participants must create their projects using waste or discarded materials only.
- No new or purchased materials are allowed. Only recyclable or reusable items can be used.
- Projects should be functional and demonstrate the concept of waste recycling and reuse.
- Participants must bring their own tools and materials required for the setup.
- Each participant will have a limited time of 1 hour to set up their project before the judging begins.
- Projects will be judged on creativity, originality, utility, and environmental sustainability.
