

Exam : ATKT (Rev. 16)

Subject: Research Methodology

Class : TYBcom (B&I)

Semester: V

Sr. No.	Question	Option1	Option2	Option3	Option4
1	_____ is the last activity of research process	Research Design	Sample design	Report Writing	Data Analysis
2	Statement or record of fact _____	report	recommandati on	abstract	data interpretation
3	Research Design is a _____ of whole research activity	Blueprint	Plan	Structure	Unorganise
4	_____ survey is one method of data collection through filed	Telephone	Mail	E- Mail	Social Media
5	Large sample size of distribution test	Z- test	T-test	Chi- square Test	ANOVA
6	_____ contains the the source of every reference incorporated in the research report	Footnote	Bibliography	Abstract	Introduction
7	The Method of collecting data through mailing of questionnaires respondent is called	Mail Survey	Specific Survey	General Survey	Personal Survey
8	Interpretation is the _____ of the research process	Basis	Climax	Ground	Primary
9	Research is done with the help of _____	Study	Observation	Experiment	All of above
10	Qualitative research is a _____	Economical	Costly	Profitable	Convinient
11	_____ interview is quick and economical	Mail Survey	Social- Media survey	Telephonic Survey	E- mail survey
12	Interpretation must maintain _____ among different types of data	Discipline	Control	Balance	Uncontrol
13	_____ means Conversation with a purpose	Obsevation	Experiment	Interview	Sruvey
14	Two variables are called _____ Variable	Dependent	Independent	Continuous	Relational
15	Act as Supplement to _____	Secondary	Primary	Raw	Tertiary
16	_____ menas the sorting and counting of data and allocating the asme to relevant classification categories	Coding	Tabulation	Editing	Analysis
17	Technical Report is _____	Difficult to Understand	easy to understand	complicated and lengthy	simple to understand
18	Sample in Group form is _____	Cluster sampling	Simple Random sampling	Quota sampling	snowball sampling

19	_____ observation is always purposeful observation	Scientific	Mechanical	Technical	Direct
20	_____ is play important role in research	Survey	Data	questionnaire	Sampling
21	In judgement sampling , The Sample is selected as per the _____ of the researcher	Judgement	Observation	Experimental	convenience
22	_____ survey has poor response	Telephone	Mail	E- Mail	Personal
23	Response Rate is _____ in personal interview technique	Lowest	highest	limited	Unlimited
24	_____ research established causes and effect relationship	Descriptive	Causal	Explanatory	Historical
25	The small p - value indicated that _____ hypothesis	Alternative Hypothesis	Null Hypothesis	Statistical Hypothesis	Reject Hypothesis
26	The first section of research paper is _____	Abstract	Introduction	Analysis	Hypothesis
27	_____ sampling is one popular and extensively used in sampling method	Simple Random	Judgemental	Cluster	Starified
28	The Backbone of personal interview is _____	interviewer	setting	questionnaire	respondent
29	_____ of data is an integral part of data interpretation	Coding	Analysis	processing	Editing
30	_____ act as broad outline of the research work	Research Design	Data Analysis	Survey	Sampling
